

LEADERSHIP PRACTICE LABS

Real challenges. Shared wisdom. Practical action.

Leadership challenges rarely come with straightforward answers.

Leadership Practice Labs provide dedicated time and space for leaders to reflect on real workplace challenges, learn from peers, gain fresh perspectives and translate insights into meaningful action. The experience is designed to help leaders feel supported, encouraged, affirmed and inspired while developing practical approaches to leadership.

This is not a refresher course or a conventional classroom workshop.

WHAT'S INCLUDED

- Pre-session alignment on objectives and leadership challenges
- One experienced facilitator
- Structured reflection and peer-learning activities
- Practical leadership tools and frameworks
- Individual action planning
- Consolidated key takeaways

Expert Facilitation, Matched to Your Needs

Every Leadership Practice Lab is guided by an experienced facilitator, carefully matched to your organisation's objectives, industry and leadership challenges.

Clients may request specific facilitators, subject to availability.

Real Leadership Challenges. Expert Facilitation. Practical Action.

All prices are in SGD and exclude prevailing GST. Standard fees cover up to 15 participants with one facilitator. Venue and catering are excluded unless separately agreed. For larger groups or sessions requiring deeper small-group facilitation, additional facilitators can be arranged. Final fees are quoted based on programme scope, group size, facilitation requirements and customisation. Leadership Practice Labs can be conducted independently or as part of an ongoing leadership development journey under Strengths School's LeadershipEDGE offering.
