

# Our **GENIUS** Program Suite

## Strengths-based Student Program

**GENIUS suite of programs** (each module is 3 hours)

Students will understand and claim ownership of their own Top 3 / 5 Talent Themes. They will learn how their strengths can also be weaknesses that affect their friends.

Students will identify existing and potential conflicts through their strengths lenses and learn conflict management techniques.

Students will learn about how their unique strengths contribute to their unique leadership style and how they can lead others effectively.

Students will learn how their strengths can be useful in pointing out certain job tasks that may energise them and how they can start planning their career journey.

All programs are proprietary to Strengths School<sup>TM</sup>
